

The future of golf.

Territory Manager - Montreal

The role of the **Territory Manager** is in management of all activities within the Territory. This includes but is not limited to:

- Working as a member of G3 Golf Corporate to finalize all elements of our program.
- Assisting the **G3 Golf Area Managers** to develop and train their full complement of G3 Golf Professionals.
- Developing the complete program of events for your Territory - TBA.
- Operate the **G3 Golf 36 Hole Championship Layout** in your Territory - 12 months/year.

Your rewards for fulfilling this function include:

- A 2.5% commission for all memberships within the Territory (>100 venues):
 - At 100 members (\$100/mth) = \$1M x .025 = \$25k/mth.
 - At 500 members (\$25/mth) = \$1.25M x .025 = \$31.25k/mth.
- Profit sharing on all events at the Territory level
- A 2.5% commission on all product sales (clothing, equipment, nutritionals...) effected from all members within the Territory.

As you can see this is a very involved position and requires someone special. The benefits will be a thriving G3 Golf 36 Hole Championship Layout in year 3 and beyond, along with the operation of a significant business in golf across Montreal.
