

The future of golf.

Territory - Montreal

4 Areas, each with approximately 25 golf courses/G3 Golf Clubs operated by a G3 Golf Professional.

Each G3 Golf Professional will develop a client/member base of 100 golfers, each of whom pays \$100/month, 12 months of the year. For this they will receive one 1 hour golf lesson/month plus access to the G3 Golf Life Management app and all Local Market Programming (value \$250/year). G3 Golf Professionals will receive 60% of all revenues generated. At 100 clients/members, this represents \$6,000/month or \$72k/Year. In addition, G3 Golf Professionals will endeavour to build their membership on the G3 Golf Life Management app and Local Market Program to 500 members at \$25/month. For this they will receive 60% which is \$15/month/member. At 100 members this represents an additional \$1500/month or \$18k/year.

Each Area has an Area Manager who is responsible for determining and training all G3 Golf Professionals in their Area, to assist them in attaining their objectives, , for setting up their entire Area and for organizing all events which take place within the Area. Area Managers are remunerated at 5% of the Area's revenues including membership and all events which take place at the Area and Territory level. Expectations for Area Manager remuneration are as follows: 25 G3 Golf Professionals x 100 members at \$100/mth x 5% = \$12,500/mth = \$150k/year.

The Territory has a Territory Manager who is responsible for determining and training the 4 Area Managers, for helping the Area Managers to hit their targets and for organizing all events which take place at the Territory level. Territory Managers are compensated at a rate of 25% of the entire Territory's revenues from membership and events at the Territorial level. Expectations for Territory Manager's remuneration are as follows: 100 G3 Golf Professionals x 100 members at \$100/mth x 2.5% = \$25,000/mth = \$300k/yr.
